

Dear Brother Philip!

Thank you so much for your email. It was great work in that Village, we baptized 25 people, It was first time people were baptized, this was the village where Muslim people never even allowed christian to keep Bible, never allowed them to worship, or build Church Building. I was so surprised to see God's Grace upon that Village, even Muslim people invited US to pray for their sick. God is awesome it was amazing trip.

By His Grace Now we have a living Church there, But no Pastor yet, we are praying that the LORD Help US to train a leader and send him there. It is almost 7 hours away But still we Will keep follow up them.

Muslim people even allowed Christian now to worship to gather. even all the people of the Village almost 400 to 500 people came in the Street open air to worship even the Muslim people went UP to their roofs and listened the word of God and attend worship Song. They even ( Muslim)requested US to come again.
