Sever flooding in Mumbai due to heavy monsoon rains this week.

Dear Friends,

INDIA: I'm heading into the floods of Mumbai till late July to teach and then over to Mauritius. Pray for my travels and ministry. The returning and new students have arrived at Providence Evangelical Bible Seminary in India. We rejoice in the combined blessing and challenge. Our dormitory has 24 beds to accommodate students, yet we unexpectedly had 31 students arrive. We are making arrangements for housing for the extra students and are grappling with the budgetary challenges to cover the increased food and materials this growth will demand. We thank you for your prayers and God for giving us the opportunity to train these men to serve Him – and will trust that our God will supply all that is needed for us to meet the needs.

NEPAL: I received this letter from Rameshwar our graduate who we support for church planting work in Nepal.

Dear Sir

Greetings!

Please pray for Hemshankar Sada, who is serving Our Lord with us in our sister church at Godar of Birendrabazar. He got a paralysis attack in his face three days ago. We have sent him to Kathmandu for treatment. He is a blind man. The church was growing there.

Thank you for your help.

MAURITIUS: Pray for Jean-Marie, Pastor-Elder, in Mauritius. Since the beginning of the year his co-elder stepped down leaving a heavy load on him. In late July I'll be in Mauritius to give him a 2 week preaching break and teach some leadership and hermeneutics classes. Pray that God will raise up faithful men alongside this dear brother and continue to bless the church with faithfulness and unity in Christ.
