

September 2019

Dear Friends,

INDIA: We continue to do our best to deal with the unexpected swell in the student body. Do pray for the needs of the ministry since this means much more food, printing costs etc. We are amazed at how God has continued to meet our needs through the years and as He has enlarged the student body we look to Him to supply for the increased budget and some construction work.

We still need God to supply us with qualified teachers that are committed Christians for our Solid Rock Tutoring Center. Until God provides these teachers we struggle with our present classes and will have to wait upon His hand before we can establish the school we have been working towards. This ministry provides excellent opportunities for making the Gospel known in the Waje, Wajepur & Cheravalli Villages that surround our campus just east of Panvel, Navi Mumba in India.

Pray also for our local church. The hall we meet in is part of a large building with 3 halls and they have improved many things through the years. With their improvements and others also making use of the facility we face disruptive noise and ever increasing rent. Pray that God would grant us favor with the landlords or lead us to a better meeting place.

NEPAL: Construction for a meeting hall for the church is underway. Pray for wisdom and protection for Rameshwar Yadav.

MAURITIUS: Mentioned in May, please pray for Jean-Marie, pastor-elder of the International Bible Fellowship. With his fellow local elder stepping down recently, He need much prayer for strength and perseverance. Pray that God would raise up men to serve the church alongside him. Pray that I can visit more often.
