Dear Brother Philip great to hear from you!

We all are doing well. God is so good and doing great things in Pakistan. Pakistan is changing now.

This time our Christmas activities provided is wonderful opportunities to share the Gospel to thousands publically and clearly.

New beginning in Pakistan

We praise God Christmas peace rally was an awesome experience, first time we were given permission to celebrate Christmas on the main roads of our city! We were given 3 hours! Almost 1000 people join us on the roads to praise and proclaim the Good news of the greatest joy!

I had the speak different evangelistic messages, by God's Grace I boldly and faithfully proclaimed the message of the Gospel!

Who Christ is, why he born of virgin? How he is the only Saviour of the Sinners? How he is the prince of peace?

We also prayed for our beloved country Pakistan, we proclaimed that Jesus is the prince of peace who can establish true peace!

Our children distributed Chocolates and candies to Muslims just share a gesture of love of Christ!

There were mighty security given by the Government, our message on peace and salvation very much impact by the police and all the security officers, they requested us to pray for their families, protection and peace!

Many confessed that Christian people are people of peace and true love!

Many people experienced peace while we were praying for them!

One security officer said, as I prayed for him, he felt as the heavy load was removed and felt unique rest and peace, he never experienced it before!

God is really great!

All the TV channels and newspapers give a big coverage to this rally!

I am still amazed and praise God how thousands of heard the Gospel during these 3 hours!

How people came out from their houses and on the rooftop!

God bless Pakistan

Thank you so much for all your prayers and support!

In Christ
